

# Linear 100 Tee-Bar Wedge Installation Instructions

## Step 1

Place Linear 100 Tee-Bar Wedge fitting inside 100mm tee bar centered space (ceiling contractor to set space).

## Step 2

Plug flex & plug into recessed ceiling socket.

## Step 3

If access to inner fitting is required, remove 1 end cap and slide out diffuser.

Position options along 600mm Tee-Bar.
